The Quarterly Newsletter of the Sisters of the Mother of God

Dear Family, Friends, and Benefactors,

During the past three months, the Sisters have taught catechism at numerous missions in many different states. The annual summer Girls' Camp was well attended with over 160 girls, our biggest camp so far. We are now well into the new school year with 9 schools around the country and over 330 students in attendance.

In the month of July, two of our milking cows had their calves, both heifers. We were making cheese and other dairy products with our increase of milk before the boarding students arrived for school.

On September 8, the feast of the Nativity of Our Blessed Mother, Sr. Maria Giovanna (Guadalajara), and Sr. Mary Elizabeth (Spokane, WA), took their first year vows.

At this harvest time of year, we are busy preparing food for the winter. With 2 truck loads of sweet corn, from a parishioner in western Nebraska, we were able to husk, blanch, cut, and freeze over 150 gallons for the students and sisters. About 100 boxes of peaches were donated by a generous family in western Colorado, which have kept us busy freezing, canning, and baking. Later this month we will be apple-picking, to make apple cider and baked goods. Also, we will pick up our yearly supply of potatoes from O'Neill, Nebraska. We are very grateful towards our benefactors! May God bless and reward you. Please keep our Sisters in your prayers.

With our prayers,  
The Sisters of the Mother of God
