The Quarterly Newsletter of the Sisters of the Mother of God

Dear Family, Friends, and Benefactors,

We would like to wish all of you a very, Merry Christmas and a grace-filled New Year! Thank you to all who have sent us cards and gifts! May God reward you and your families.

During the month of December, our various missions had much of the same activities. Christmas Program practice, bake sales, church decorating, choir practices, gift wrapping, end-of-the-quarter tests and report cards, and for some missions, shoveling snow! We were happy to have a white Christmas.

During the Christmas vacation, the Sisters enjoy the comradery of the mission Sisters. We have various activities, such as ice skating, sledding, and carrying wood for the fireplaces. The Sisters have traditions of Christmas caroling, reading Christmas stories, and singing verses of Christmas hymns between the decades of the Joyful Mysteries.

Thank you for your continued prayers and support of our Congregation.

With our prayers,
